

Hardway Club Rally to Island Harbour Marina

Date: Sat 16th July 2011

H.W. (Portsmouth) **14:19**

Hardway Sailing Committee are pleased to announce that we have organized a Club Rally for sailing cruisers, motor yachts and dinghies to sail to Island Harbour on the Medina river in 2011 . Berths for approximately 10 Cruisers or Motor Yachts have been reserved at Island Harbour Marina. Dinghies can be pulled ashore and stored overnight on the adjacent hard standing or the grassed area.

I propose to take Bar-B-Q equipment and would be grateful if others yachts could do the same. Berth reservations at the Island Harbour visitors pontoons has only been made for the first 10 yachts placed on the list below and we have obtained a 10% reduction for berthing fees. It may be possible to berth additional Hardway yachts provided that the list is compiled by 30th April.

Volunteers willing to undertake some bar-b-q cooking will be greatly appreciated. It is proposed we meet in the Folly after dinner. Hardway yachts are requested to provide support to our dinghy sailors traversing the Solent.

**Please complete Bar B Q reservation requirements
(and bring vegetarian burgers etc if required).**
