

## **Mooring Vacancies**

Following a review, the following moorings are available, and members are invited to make an application for the positions. The list will be closed on 1<sup>st</sup> January 2012.

Applicants for Area 25 should be aware that preference for these will be given to those members applying who have existing moorings in the more remote areas.

In the allocation due consideration will be given to the applicants position on the Wait List, and suitability of the members vessel for the mooring on offer.
